Each small group will take turns supplementing what we get from Panera's and provide the brunch food for the moms who attend that day.

For the two weeks before your assigned Hospitality date, we ask you pass around the provided Hospitality form for the small group members to sign indicating what they can bring. The week your group is responsible for hospitality we ask you contact (or designate someone to contact) everyone who has signed up or who missed the opportunity to sign up, and remind them of what they signed up to bring. Please assure the Moms that they don't have to bring what they signed up for if sickness or problems prevent them from coming. Lord willing, we will always have bagels! Lastly, if your group is small, let the Hospitality Coordinator know and we'll recruit some Moms from other groups to help your group bring food.

You are welcome to use online Perfect Potluck group meal planning tool for your turn in bringing hospitality or can continue to use the Hospitality form provided in your leader's folder. The Perfect Potluck tool will email everyone signed up with a reminder automatically. For those of you who want to use Perfect Potluck it can be found here: www.PerfectPotluck.com

This year I ask that you create the form yourself if you want to use it. It is quick and easy to do. I would recommend you use a common password such as "Food4MM" so that everyone on your leadership team can access the form.

Below is a cheat sheet to easily create a MM Brunch signup (I recommend cutting and pasting) using Perfect Potluck:
